**MV. Papuan Chief / New Guinea Chief**

**Vessel Swaps**

Dear Valued Customer,

Please be advised that the *MV. Papuan Chief* will phase out of PNA on voyage 2510N/2616S in Busan and will be going to dry dock for planned maintenance. The *MV. New Guinea Chief* will be deployed on PNA to replace *Papuan Chief* on voyage 2516S/N. The swap will occur in Busan, South Korea, to enable cargo to be exchanged from affected Swire Shipping services with no schedule impact.

This change will be reflected in our schedules published this week.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours sincerely,
