Pacific Island Service (PIS)

NPDL TAHITI V.2508S phase out for Dry Docking /
CAPITAINE KUPE V.2508S phase in

Tonnage Swap

Dear Valued Customers,

Please be advised that the *MV. NPDL TAHITI V.2508S* will be phasing out of the Pacific Island Service (PIS) after calling Port Vila for dry dock and will be replaced by *CAPITAINE KUPE V.2508S*.

MV. CAPITAINE KUPE V.2508S will phase into PIS Service from Suva, omit Port Vila and proceed with her natural rotation through Australian and Pacific Islands ports under V. 2510.

Pacific Islands export volumes booked ex Noumea, Lautoka and Port Vila will be transferred to our following sailing - *ARKADIA V.2509S*.

See below revised dates for your reference.

	<i>MV. NPDL TAHITI V.2508</i>	<i>MV. CAPITAINE KUPE V.2508</i>	<i>MV. CAPITAINE KUPE V.2510</i>
