**Pacific Weekly Express Service (PWX)**

**MV. Songa Leopard 2515N / MV. Songa Lioness 2522S**

**Vessel Swap**

Dear Valued Customer,

Please be advised that the *MV. Songa Leopard* will phase out of our Pacific Weekly Express Service (PWX) and will be replaced by *MV. Songa Lioness* in Port Klang in May. *Songa Lioness* is a sister vessel of the same age and specification.

Any cargo loaded on *Songa Leopard* 2515N requiring Singapore or Jakarta discharge will be transhipped in Port Klang.

This change will be reflected in our schedules published this week. Our team will contact you to arrange booking changes and to guide you on solutions that suit your requirements.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours sincerely,
