Pacific North Asia (PNA)

MV. Noumea Chief 2527S/N

Schedule Adjustment and Recovery

Dear Valued Customer,

Further to our advice sent on September 25th regarding *MV. Noumea Chief* delayed in Qingdao; Swire Shipping regrets to advise that *MV. Noumea Chief* will omit Port Vila, Nuku'alofa, Pago Pago and Santo on voyage 2527S/N to allow for the vessel's schedule to recover on her long-term schedule and preserve our service integrity. These omissions will be reflected in our schedules published this week.

Inbound cargo to Port Vila and Santo will be transshipped in Noumea, while inbound cargo to Nuku'alofa and Pago Pago will be transshipped in Suva to load on *MV. New Guinea Chief* 2529S/N in close proximity with *MV. Noumea Chief* in the South Pacific region.

Our team will contact you to arrange booking changes and to guide you on solutions that suit your requirements.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours sincerely,

Swire Shipping
