North Asia Service (NAT)

MV. Pacific Honour 2512S/N

Schedule Adjustment and Recovery

Dear Valued Customer,

Further to our advice sent on 25 September 2025 regarding *MV. Pacific Honour* being delayed and phasing into NAT service seven days behind her long-term schedule; Swire Shipping regrets to advise that *MV. Pacific Honour* will omit Auckland on voyage 2512S/N to allow for the vessel's schedule to recover on her long-term schedule and preserve our service integrity. This omission will be reflected in our schedules published this week.

Our team will contact you to arrange booking changes and to guide you on solutions that suit your requirements.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours sincerely,

Swire Shipping
