North Asia Express Service (NAX)

MV. Rabaul Chief A2523S/N Extended Delay

MV. CA Shanghai A2525S/N Vessel Swap

Dear Valued Customer,

Swire Shipping regret to advise that the *MV. Rabaul Chief* has faced heavy delays during her passage from Ningbo to Nansha on voyage A2523S due to severe adverse weather. Consequently, *Rabaul Chief* will omit Hong Kong to allow for the vessel's schedule to recover. Exports from Hong Kong to Lae initially planned on *Rabaul Chief* will be transferred to *MV. Honiara Chief* 2424S in close proximity with limited impact on arrival time at destination.

On voyage A2523N, *Rabaul Chief* will phase out at Shanghai and be replaced by the *MV. CA Shanghai* (a 2024 built, 1,700 teu containership) from voyage A2525S/N onward. The *CA Shanghai* will be deployed on NAX for the foreseeable future.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours Sincerely,

Swire Shipping
