American Samoa - Equipment Surcharge

Dear Valued Customers,

Due to ongoing congestion at the seaport terminal, the Port Administration has established a temporary empty container depot near the stadium in Tafuna. As a result, Swire Shipping is incurring additional costs to haul empty containers from this depot back to the terminal.

To recover this cost, Swire Shipping will implement an Equipment Surcharge (EES) for all full containers arriving into American Samoa on or after 25 December 2025. It will remain in effect until the situation is resolved.

DESCRIPTION / CODE	CURR	All Containers Per unit
EQUIPMENT SURCHARGE (EES)	USD	20

We appreciate your understanding and cooperation as we work to minimize the impact of these challenges on your supply chain.

For any questions or further details, please contact our customer service team. Thank you for your continued support.

Yours sincerely
