## Guam Saipan Express – Schedule Rectification Plan

Dear Valued Customer,

Swire Shipping regrets to advise that *MV APL ISLANDER V.2609S* will omit Saipan to support schedule recovery owing to delays encountered at preceding port of calls. The following *MV APL OCEANIA V.2610S* will induce a Saipan call to provide coverage for the impacted cargoes on the previous voyage.

These substantial delays have impacted the ability to maintain regular schedules for the service. As a result, a voyage slide will be triggered for *MV APL OCEANIA V.2612S* and *MV APL ISLANDER V.2613S*.

Please refer to the coverage plan below.
