Australia - Pacific Island Service
MV. NPDL TAHITI Voy.2610S – Schedule Rectification – Port Vila Omission

Dear Valued Customers,

Please be advised that the MV. *NPDL TAHITI* Voy.2610S will omit Port Vila after encountering mechanical issues during operations in Suva. All cargo destined for Suva have been discharged before moving to anchorage, without loading any cargo destined for Port Vila.

Repair works are expected to require a minimum of seven days for completion, as a result alternative cargo arrangements outlined below will be provided.

Port Vila Exports

All Port Vila export volumes will be transferred to the following MV. *TAKUTAI CHIEF* V.2611S, ETA Port Vila 28th May.

Port Vila Imports

- Port Vila import volumes currently onboard the *NPDL TAHITI* V.2610S will be discharged at Suva and connected to the MV. *TAKUTAI CHIEF* V.2611S.
- Port Vila import volumes destined to load on the *NPDL TAHITI* V.2610S at Suva will be transferred to the MV. *TAKUTAI CHIEF* V.2611S.
