

14 July 2026

Pacific Weekly Express (PWX)

MV. Tonga Chief 2631N

Transfer of Lae and Madang Northbound Calls

Dear Valued Customer,

Please be advised that *MV. Tonga Chief* will omit Lae and Madang on voyage 2631N to allow for the vessel's schedule to recover from heavy delays incurred at previous ports. These port calls will be transferred to the subsequent *MV. Apia Chief* voyage 2632N with minimal change to cargo arrival and departure dates:

Vessel / Voyage	Previous	New
<i>Tonga Chief</i> 2631N	Lae ETA 13 Aug Madang ETA 15 Aug	Omit Lae Omit Madang
<i>Apia Chief</i> 2632N	Omit Lae Omit Madang	Lae ETA 16 Aug Madang ETA 18 Aug

Further to the above schedule changes for *Tonga Chief*, we will make some additional adjustments to subsequent voyages. The transfer of these port calls allows coverage to be maintained while minimising the risk of further schedule delay:

Vessel / Voyage	Previous	New
<i>Apia Chief</i> 2632N	Rabaul ETA 18 Aug	Omit Rabaul
<i>Songa Lioness</i> 2633N	Omit Rabaul Lae ETA 25 Aug	Rabaul ETA 24 Aug Omit Lae
<i>Victoria</i> 2634N	Omit Lae	Lae ETA 01 Sept

These changes will be reflected in our schedules published this week.

We appreciate your continued support and look forward to working with you. Should you have any questions, please contact your local Swire Shipping representative.

Yours sincerely,

Swire Shipping
