Rate Restoration to Papua New Guinea

Dear Valued Customer,

Swire Shipping wishes to advise that we will be implementing a Rate Restoration in the below trade sectors in view of the ongoing equipment imbalance, increased cargo demand as well as continued escalations to operating costs and charter rates.

ORIGIN REGION	DESTINATION COUNTRY	CURR	20'ALL	40'ALL
North Asia, Greater China, South-East Asia and the Indian Sub-Continent	Papua New Guinea	USD	300	600

This increase will apply on top of current Ocean Freight subject to all applicable surcharges valid at time of shipment to all cargo with a Bill of Lading date on or after **24 September 2026**.

We thank you for your understanding and recognition of the necessary investments Swire Shipping must make to maintain our market-leading port coverage and service frequency.

Should you require any further information please do not hesitate to contact your local representative.

Yours sincerely,
Swire Shipping
