**Rate Restoration to Australia**

Dear Valued Customer,

Swire Shipping wishes to advise that we will be implementing a Rate Restoration in the below trade sectors in view of the ongoing equipment imbalance, increased cargo demand as well as continued escalations to operating costs and charter rates.

| ORIGIN<br>REGION                                                              | DESTINATION<br>COUNTRY | CURR | 20'ALL | 40'ALL |
|-------------------------------------------------------------------------------|------------------------|------|--------|--------|
| North Asia, Greater China,<br>South-East Asia and the Indian<br>Sub-Continent | Townsville, AU         | USD  | 300    | 600    |

This increase will apply on top of current Ocean Freight subject to all applicable surcharges valid at time of shipment to all cargo with a Bill of Lading date on or after **24 September 2026**.

We thank you for your understanding and recognition of the necessary investments Swire Shipping must make to maintain our market-leading port coverage and service frequency.

Should you require any further information please do not hesitate to contact your local representative.

Yours sincerely,
